

Backyard Bingo

Step outside and observe nature around you! Keep an eye out as you take quiet moments to check off the bingo boxes. Make sure not to disturb nature - look with your eyes, not your hands!

Find a clover (You're extra lucky if it's a 4 leafed one!!)	Spot a squirrel	Listen closely for a bird chirping	Look up and see if you notice any clouds	Observe a blade of grass
Look at the ground or at trees for berries/nuts	Observe a tree with no leaves	Look for a plant that is sprouting	Take a close look at different types of dirt	Look for something natural that is brightly colored
Take a close look at the bark on a tree	Find a spider web	Free space for being outdoors!	Spot an animal that is flying	Keep your eyes open for an insect that crawls
Observe a mushroom	Look for an insect that can fly	Find something that is decomposing	Look for a log/tree stump	Observe a tree with leaves
Find a flower blooming	Spot a bird's nest	Look for water (a puddle, a water formation, etc)	Observe an ant hill (be careful!)	Find a leaf on the ground
